I. GENERAL INSPECTION USE PERMITS

All buildings required by the NC Fire Code to be inspected shall obtain a General Inspection Use Permit. The frequency rate of the inspections are based upon the minimum inspection schedule required by the NC Fire Code. Operational permits required by the NC Fire Code will be included in the General Inspection Use Permit and will be listed on their permit as a provision. Departure from that type of operation would require another permit to be obtained. Operations or processes listed in the Fee Schedule as a Special Operational Use Permit are not included in the General Inspection Use Permit. The various General Inspection Use Permits and fees are as follows:

Twelve Month Inspection

The following occupancies are to be inspected once every year and the General Inspection Use Permit will be valid for a period of 12 months from the date of issuance:
